Hello from the other side,
Hope you are doing great!

Greetings from Kronos - The Tech Society of Shaheed Sukhdev College of Business Studies, University of Delhi.

It is with great delight that we cordially extend an invite to **Taskade** to associate with us for our upcoming event **hackCBS 5.0** - India's Biggest Student-run Hackathon (Website Link - <http://hackcbs.tech/>). The baton has been passed on and we have reinforced our foundations in order to make this **offline hackathon** even bigger and better.

The offline event presents loads of wonderful opportunities to interact with a diverse group of minds, gain valuable insights and to market oneself to a variety of audiences. Throughout our journey we earned numerous laurels like - hackCBS 2.0 was **Asia's first MLH Member Hackathon and first-ever Microsoft USA-sponsored CBS event** and the last two editions organized digitally, expanded our reach exponentially with **over 2500 registrations in hackCBS 4.0**. The restrictions amidst the pandemic could not bottle up our zeal and we continued to acquire new milestones under our belt. Moreover now we are all set to organize hackCBS the way it was intended : as a conference-cum-hackathon for the tech geeks to savor.

With hackCBS 5.0, we are all set to embark on this voyage and raise the bar that has been set over the years. We anticipate a footfall of over 1100 participants from far and wide. hackCBS aims to bring out the potential of high-spirited students capable of facing the challenging and ever-evolving landscape of technology.

We would love the opportunity to tell you more about the event and see how we can work together to get **Taskade** in front of some of the top developers in the world. We will also be promoting **Taskade** in about 350+ colleges, around 25+ countries. We look forward to a meaningful association with you to reach new heights with mutual growth and development. We would be pleased to answer any queries or discuss this opportunity with you further.

Please find the proposal for hackCBS 5.0 attached below for your kind perusal.

Best Regards,
Ajay Kumar
